## NEW GALAXY CINEMAS TO OPEN IN MILTON, ONTARIO

TORONTO, ONTARIO, April 28, 2005 (TSX: CGX.UN) – Cineplex Galaxy LP today announced the development of a new eight screen Galaxy Cinema entertainment complex to open in Milton, Ontario. Construction is expected to begin later this fall with completion planned for the spring of 2006. Located just south of Highway 401, within the 31 acre RioCan Centre, the cinema will occupy approximately 31,000 square feet of space and will offer the only state-of-the-art entertainment experience in Milton.

“We are thrilled to be opening Milton’s first entertainment destination,” said Pat Marshall, Vice President Communications and Investor Relations for Cineplex Galaxy LP. “*Galaxy Cinemas Milton* will offer area residents the newest and best entertainment options without having to leave town,” said Marshall. “The complex will feature the latest film and digital presentation and sound technology and will house more than 1600 luxury high back seats.”

*Galaxy Cinemas Milton* will offer more than just movies! “In the 22 other communities where Galaxy Cinemas operate, we have proven our ability to attract large numbers of people of all ages from far and wide. This not only supports the new Galaxy Cinema but also provides support to the many businesses located near and around the theatre. Restaurants, retailers and numerous other businesses benefit from the addition of a Galaxy Cinema in the community by keeping the entertainment spending that has previously flowed out of the community, at home. This is great news for Milton area businesses,” said Marshall. “We tend to have an enormous impact on the local community and we have a great deal of fun doing it,” she said.

Milton Mayor Gordon Krantz said, "One of Milton Council's Objectives is to promote the attraction of a cinema to the Town of Milton. We are pleased to welcome Galaxy Cinemas Milton, offering residents and families in our community a new source of entertainment and significant economic benefits."

The new *Galaxy Cinemas Milton* will feature all stadium seating (each seat row will be 18” higher than the previous row), wall-to-wall, giant, curved screens; large, luxurious seats with ample legroom; and Dolby Digital Surround Sound. The spacious lobby features a *Zero Gravity Family Entertainment Centre* that can be accessed without a movie ticket. The

refreshment selection is very broad and will include *Outtakes* featuring fresh-cut fries, chicken tenders, hot dogs, sausages, pizza, and a *Yogen Fruz* frozen dessert bar offering a wide selection of no-fat and low-fat yogurts and premium ice creams in addition to the standard movie fare. “We will have something to satisfy everyone’s appetite,” said Marshall.

Cineplex Galaxy LP is a leading exhibitor of motion pictures in the entertainment industry. Headquartered in Toronto, Canada, Cineplex Galaxy LP currently operates 86 theatres with a total of 775 screens in 6 provinces across Canada.
